Kill It."

He Returns a Prodigal—Dr. Talmage
Discourses After His Return From
Starlight, began to sing:
There is a land of nure a Trip Around the World.

KENTUCKY In all ages of the world it has been customary to celebrate joyful events OFFICE-Main Street, over Madison National by festivity-the signing of treaties,

has ever happened before. A favorite know it. Office same as Richmond Water & Light Co.'s on

agery does the Bible set forth the merry making when a soul comes home to God.

First of all there is the new convert's joy. It is no tame thing to become a Christian. The most tremendous moment in a man's life is when the surrenders almself to God. The granders the occomes a came there was the father's joy. It is no tame thing to become a Christian. The most tremendous moment in a man's life is when the surrenders almself to God. The granders the occomes a came there was the father's joy. It is not ame thing to become a Christian. The most tremendous moment in a man's life is when the surrenders almself to God. The granders the occomes back. Among the great through by the professed Christ one night was a young may who in the parlors of my church professed Christ one night was a young may be laid not come in the boy comes back. Among the great through by the professed Christ one night was a young may door bell and said: "Sir. I can not contain myself with the joy I feel. I came here to this morning to express it. I have found not go you from the morning of the Bolly God, and I hash God I have seen twenty of them. Thus God." I have found not go you from the state of the universal activity, and such enor, mous number of peasants, tourists and bighways of many of the states of the union are in such states of the union are in the death of a powerful monarch of the joy of the won.

S. E. WELSH, Berea.

The death of a powerful monarch of the joy of the won.

S. E. WELSH, Berea.

The roads and highways of the states of the union are in the such county, is probably the only town of a three some three twichs has not a burial ground, public or private, near the county is probably the only town.

OF HUMAN KIND.

The True Story of a French Convict at No eriminal is altogether hardened:

art even these are seldom found except great kindness, and became in consein the lower classes. If a man is not quence very much beloved. One day, married at the latest by his twenty- however, the Italian seemed to be much fifth year his reputation suffers. It is depressed, and he confided to his fela belief that those who have a son go low-laborers the fact that he was ter- industry.

do to a man who struck her in the face all American patriots, Marquis de and knocked her down?"

Her words had a marked effect on ple before I could find anyone to enthe housebreaker. He was evidently moved to the heart. "I'm sorry, ma'am," he said, "and I'm ashamed of what I'm doing. I won't take anything belonging to you except this five-pound note. But I

really am in desperate straits, and I want money badly.' He emptied his pockets of the silver he had taken, but with the full consent of the old lady made off with the five pounds. Some time afterward an

MAKING POETRY.

There Is Often Hard Work as Well cs There are yet some persons left who fancy that poetry is the product of a fine frenzy; that the poet of genius awakes from a sublimated cataleptic trance to fill page after page with effortless beatitudes. A number of mancelsior," which may be found in Harvard, should not only explode this theory, writes a Boston correspondent,

The shades of night were falling fast As through an Alpine village passed A youth who as the peasants sung.

Responded in an unknown tongue. This was manifestly weak, as the the wedding. 'We will go away someclad on record came to an unfortunate last lines of the verse were made to read:

A youth who bore a pearl of price, A banner with the strange device.

are dancing at the same ball, so a and the substitution of "a youth who tion, and probably the other will fly quadrille d'honneur at Buckingham bore 'mid snow and ice" completed the round sharply to assist. Now let him verse as it has been read and spoken go to sleep again, and make the same throughout the length and breadth of noise to the left. The forward ear the land. All of which goes to show still will keep his guard, with possibly that the genius of the poet is in the a lightning flick round, only to resume conception, and that the production of its former position. the poem, being quite another matter, lies solely in the direction of patient
